## Busy Quarter for Homeless Keiki

Our amazing team leaders across the 3 islands (Maui, Big Island and O'ahu) were able to reach out to over 1,200 homeless children and provide a wide array of support from emergency service, spring service learning, educational projects, covid kokua, meal boxes, and of course all our holiday events.

We also have partnered with many community businesses for the final stages of our dormitory build.. .opening this Fall.

## Easter Cheer for Homeless Keiki

Even with Covid and the Storms, we were able to reach all our homeless children this Easter and assure not one was left out of the childhood memories they deserve.

Our Easter Cheer and Spring Break Services are vital parts of developing healthy children. During these long breaks, children living in poverty go days without food. They are also left without much supervision, lack of structure and limited communications with their friends. Our program allows them to have all these necessities.

We are so grateful to have so many amazing team leaders across the islands along with our amazing community partners that allow for such success.

We were able to reach children living in storage sheds, hidden in high mountain ranges and other remote areas all due to the clean sweeps

conducted by the government. While our holidays are NOT easy, they are very impactful in so many ways.

Bringing the community together to assure that hundreds of homeless children are able to celebrate, smile and enjoy a bit of their lives is an amazing experience, and we are so honored you all choose to be part of it.!!

Thanks to all the support over the past 19 years we are able to continue our programs on Big Island, Maui and O’ahu to reach over 1,600 children annually

**Mahalo to our 3rd quarter partners for making a commitment to helping homeless keiki succeed.**
