Christmas Cheer for Homeless Keiki

Even with Covid and the Storms, we were able to reach even more homeless children this Christmas and assure not one was left out of the childhood memories they deserve.

Our Christmas program is one of the vital programs we offer that helps to create the child's self worth from a young age. Many may not understand the impact a gift from Santa can have on a child. Or even more, NO GIFT from Santa can cause.

We are so grateful to have so many amazing Secret Santas and Santa Coordinators in our team that allow for such success.

This year we were able to provide over 170 homeless teens with their gifts and gift cards to allow them to shop for what they need most. This builds their self esteem and creates a foundation of self care.

We were able to reach children living in storage sheds, hidden in high mountain ranges and other remote areas all due to the clean sweeps conducted by the government.

While our holidays are NOT easy, they are very impactful in so many ways.

Bringing the community together to assure that thousands of homeless children are able to celebrate, smile and enjoy a bit of their lives is an amazing experience, and we are so honored you all choose to be part of it.!!

Thanks to all the support over the past 19 years we are able to continue our programs on Big Island, Maui and O'ahu to reach over 1,600 children annually

LEX BRODIES SPONSORSHIP ~ LITERALLY SANTA'S SLEIGH

We are so excited that our new partnership with Lex Brodies was such a success this holiday season on Big Island. Anita truly made it her mission to assure that all the gifts were organized and transported across the island for our elves to work their magic. Community Support is the foundation of our behind the scenes which allows us to be so successful.
