Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response to any question in this Part III

1 Briefly describe the organization's mission:

Project Hawaii Inc mission is to enhance the lives of homeless keiki living in extreme poverty situations. Help them to build self esteem, instill life and social skills to help them escape their cycle of poverty and homelessness.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 120,890 including grants of \$ 94,890) (Revenue \$ 0)

Our major accomplishment is our summer camp program. This educational program allows the children an escape of their poverty stricken situations over the summer. Providing them with educational programs, healthy meals, and gives them the opportunity to explore the world around them. The program is vital to the over all success of their growth and development to help create the self worth they need to learn and grow in a healthy mind frame. The social and life skills they are taught play a major role in their continuing education. Project Hawaii Inc also provides all their back to school supplies, new outfits and shoes to allow them to go back to school prepared. Like all our programs, this camp is offered free of charge to all our participants

4b (Code:) (Expenses \$ 38,560 including grants of \$ 38,560) (Revenue \$ 0)

Project Hawaii Inc second accomplishment is our Holiday Christmas Party. Providing parties on both the big island and Oahu. This year we were able to provide services to over 650 homeless children living in poverty that would otherwise gone without the wonders of the holiday, let alone a healthy holiday meal. Our agency was able to also include an extra 86 children we found living on the streets of Kakaako on Oahu. Our holiday parties come complete with Santa visits and photos, games with life necessity prizes, healthy meals, make and take crafts and of course their holiday wishes to fill their hearts with joy. These children live in tents, cars and substandard housing, not knowing what day is different from the next, and never expecting a visit from Santa. This holiday is the most important to building their self esteem and letting them know they are worth a new toy, a new outfit and the joy of a holiday party made just for them.

4c (Code:) (Expenses \$ 65,500 including grants of \$ 65,000) (Revenue \$ 0)

Our outreach and awareness is not really 3rd in line, but it isn't quite as impacting as the other two. Our goal is to visit the homeless children across the island on a monthly basis to assure they have adequate hygiene, living necessities, food boxes, and other items they might be of need. We spend 3-5 days a month conducting outreach, seeking out new places, finding the truly hidden homeless children and bring them supplies. We spend 6 days a month conducting awareness in the community. Helping to get the community more involved and setting up collections for the homeless keiki needs. We also visit schools, work with teen programs and help the community develop plans and programs to help the over all success of the children's future. We also participate in various community events, charity events, public events that will help create an awareness and network to continue our services to the ever growing needs of homelessness in Hawaii

4d Other program services (Describe in Schedule O.) See Schedule O, Statement 2
(Expenses \$ 70,220 including grants of \$ 70,220) (Revenue \$ 0)

4e Total program service expenses **▶** 295,170

Form 990, Part III, Line 2 - Project Hawaii Inc was able to expand to the Oahu for our the Adventures Abound day camp for the homeless children on the Waianae Coast. This was a huge undertaking and we were able to provide 13 children with two weeks of adventures, and 76 children with all their back to school needs.

Form 990, Part VI, Section A, Line 2 - Yes, the 2nd VP and the ED are related. Daughter/Mother. They have both dedicated their time to create a very educational and life changing summer camp for the homeless children. The Daughter has a masters degree in Psychology and a BA in art therapy which have been vital to the overall success of the summer camp. The ED has raised her children to contribute to charity work their entire lives, so it is only natural for them to volunteer together and develop award winning programs

Form 990, Part VI, Section B, Line 11b - The 990 is reviewed by several key members and approved before submitted. All key members are given copies once they are filed. Since all of the key members are volunteers and all have steady jobs outside of this organization and raising their families, it is not a requirement that we have them all review before submitting. Everyone has access, we just don't require the approval.

Form 990, Part VI, Section B, Line 12c - yes, the volunteers all talk about what is going on and how to make any issues that might arise be corrected. This entire agency runs like a family with the over all success in their hearts to serve the homeless children and create beneficial programs

Form 990, Part VI, Section C, Line 19 - Yes, our by laws and our articles of incorporation are available for public view and filed with the State of Hawaii. Our 990 is available on our website, as well as various other locations

Reasonable Cause Explanations

Explanation

We did file for an exemption and was granted this per the IRS. However, we were still unable to acquire the proper information needed due to the two horrible circumstances that happened to our files. First our computers were hacked and all our information was erased and while we were trying to redo all this lose, a few month later before the completion, our office had a fire and all the documents were then pretty much damaged by either the fire, smoke or water. So it took us a while until we could track down all of the information to make a determination on all the goods and services we had donated. While this filing is to the best of knowledge, most of the "evidence" has been lost. We are have estimated some of the value on the inkind donations, and some of the value on the donated services. However, our monetary donations are accurate from the banking systems and notes. As you can see, we run on very little monetary donations, most of it is articles needed to reach our goals. Thank you for your patients and please find our situation excusable to release any late filing fees. Thank you again

Other Program Services Accomplishments

| Activity Code | Description | Expense | Grants | Revenue |
|---------------|---|---------------|---------------|----------|
| | <p>Our Spring Break Service and Easter Celebration. We spend the spring break providing the children with activities, meals, food boxes, and other needs that they go without during their long school break. It is vital to their health, being out of school for a week or longer, they will go without daily meals, and some will not even eat every day. We also provide them with activities that allow to keep their minds and bodies active and off their living situations. Easter is also another important self esteem building holiday. No child should ever go without the basics of life, and that includes the joy of being accepted and having a special holiday. We provide them with outfits, a healthy meal, educational and arts, as well a bunny bags filled with hygiene. Kites are an all time favorite for the children, so we make sure everyone gets a special kite as well. Might sound simple, and maybe silly, but that is their favorite!!</p> | 36,000 | 36,000 | 0 |
| | <p>Halloween Costume Workshop and not so typical trick or treat parade. This too is a life changing experience for the children. We are able to provide them with all sorts of Halloween costume parts and pieces, recycled materials and art items that they create their own outfits. Generally we see around 80-100 keiki at our events. Every child is able to be as creative as they like, create their own outfits, crowns, wands, capes, wings, outfits and so forth. This allows them to participate in school functions without feeling left out, and joy of making their own really helps with the self-esteem. The not so typical trick or treat parade allows them to show off their new costumes while collecting items they need, from school supplies, art products, hygiene and healthy snacks. They go back to their living situations with bags full of life necessities, a full tummy and a happy heart. This year we were able to include Oahu in this program as well.</p> | 3,540 | 3,540 | 0 |
| | <p>Emergency Care. We provide emergency care to those who have just become homeless, or those who have dealt with the "clean sweeps" of our new county laws here in Hawaii. These families are in an emergency state where they have nothing, just the clothing (or lack of) on their backs. We provide them with emergency care items, such as tents, sleeping bags, clothing, hygiene, food, "camp supplies" such as stoves, propane tanks, coolers, etc. While we typically only have a few emergencies a month, it is something we are always prepared for. Sometimes it is just helping with a few things, and other times it is providing a van load of items. This year we were able to help several dozen families that were displaced by the clean sweeps, and I know that truly makes a difference in their hope for survival, even if just for another day. Day by day these families live, and with our support, they grow with the hope of a better tomorrow and eventually are able to escape their situations of crisis.</p> | 24,790 | 24,790 | 0 |
| | <p>Healthy Hearts for Homeless Keiki is another program that helps these children know that they are cared for and can accomplish what they wish. This program helps to provide the children with new sports shoes and needed equipment to play school based sports. We provide the children the opportunity to be more involved with their school, classmates, and of course build life skills needed for the real world. Without this program, some of these children would drop out of school, or go down the wrong path after school. Keeping kids healthy and involved is half the struggle, getting them their needed supplies is the easy part. This year we were even able to get surf boards and equipment for a few high school students as Surfing is now a school based sport. Another example is a teen who wasn't letting his parents know he was being cut from the basketball team because he didn't have the appropriate shoes. So, we know this program works, and keeps these children growing healthy, mind, body and soul. This year were we able to provide 120 pairs of athletic shoes, and 20 children with their whole sports needs.</p> | 5,890 | 5,890 | 0 |
