Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Project Hawai'i, Inc., mission is to enhance the lives of homeless children and help them escape their cycle of poverty. Providing year round services to homeless and poverty stricken children on the islands of Hawai'i and O'ahu. Run 100% by volunteers and solely supported by public donations. Providing year round interactive solutions to help these children gain self-esteem, life and social skills to escape their cycle of poverty.

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. 4a (Code:) (Expenses \$ 186,323 including grants of \$ 186,232) (Revenue \$ 0)

Our major accomplishment is our SUMMER EDUCATIONAL PROGRAM: For our 12th year this year we actually expanded our jr. leader pilot program. Allowing more jr. leaders and teen mentors to the program. What a learning experience for everyone. Maybe a once in a lifetime? This teen week was designed to allow teens who had graduated through our program when they were younger and now on their way to a brighter future. To come back and mentor the younger children, to share their experiences and why this program is so important. The entire week was full of cultural learning, workshops, leadership classes, and bonding exercises. All before they were paired with younger children to mentor during the Edu-Camp sleepover camp on the Big Island. Sleepover Camp on big island allowing the children to escape their everyday hardship of living homeless and learning life and social skills to help them succeed. This camp allows for the public community to be more involved with sharing their talents and teaching new skills to the homeless children. We introduce a wide-variety of activities and venues from art, culture, yoga, reading, theater, music and more. We also provide eye and oral exams. Our main goal is to help them gain the self-esteem as well as life and social skills to help them succeed in school. Adventures Abound Day camp is our session on O'ahu and allows the children to

4b (Code:) (Expenses \$ 84,902 including grants of \$ 84,902) (Revenue \$ 0)

Holiday Christmas Party/Support: This is another backbone of our program which helps to raise the self-esteem and self-worth of the homeless children. While Christmas might seem not a necessity in life, it is truly life-changing to hundreds of our homeless children living in extreme poverty. Having Santa and his elves actually deliver gifts specifically for that child in need is a life changing experience for these precious children. Most of these children have never had a Christmas, a tree, or a hot meal, a family gathering, nothing as we deem normal. When Santa brings their hearts desire (which is typically a simple toy or a life need), these children truly feel loved and wanted, cared about other than in their world of abandonment. On the Big Island the over 350 homeless children will be invited and brought to a holiday party complete with Santa and his elves, games to win prizes, crafts to make and take as gifts, hot nutritious meal and of course sit on Santa's lap and get a special gift and photo op. Children on the island of O'ahu will have their Christmas eve filled with Santa and his elves arrivals all along the water's edge and high in the mountains. From sun up to sun down Santa will assure that all the children are cared for. This year due to the encampment cleansweeps conducted by the state, so many children were displaced and not in a stable encampment. This caused us to really

OUTREACH and AWARENESS PROGRAM: While this is what makes the difference year round to the children we provide service to, it is basic and simply put. Our volunteers conduct outreach throughout the month to various homeless encampments, seek out new homeless families and keep track of those in our program. We provide monthly hygiene and food boxes. Clothing and life necessities on a scheduled basis. As well provide emergency care for those who have either just became homeless or had an issue with their current living situations. We provide tents, cook stoves, sleeping bags, pillows, clothing, food, etc for those in need. Our primary focus is to provide the immediate of every child we encounter during our outreach. We do have a lack of storage so have not been able to have as much supplies on hand as we had hoped for this year. As well, we have faced so many encampment closures due to cleansweeps of the state. This has caused a hardship on our agency to try to help the homeless families re-establish and replace all that was lost to the sweeps. In addition, we have provided more hygiene gift cards and stopped our food boxes, rather we give meal cards. It is easier for them to use and they don't have to worry about hauling heavy

Activity Or Mission Description

Description

Hawai'i and O'ahu. Our agency is run 100% by volunteers and solely supported by public donations. Our goal is conduct outreach to as many homeless encampments and outskirts of the town to assure that all the homeless children are provided for. Our dynamic outreach team is dedicated to help these children and guide them out of their own repetitive cycle of living unsheltered. Being run by volunteers allows us to invite the community to make the difference throughout the year. Our base team is 5 dedicated people. During holidays and summer camp we see as many as 100 a year.

First Program Service Accomplishments Description

Description

explore the wonders of their island. They will go on field trips, adventures and learn the basic life and social skills to succeed in school. This is our 12th year and we strive to advance with each year. The volunteers pick the homeless children up every morning at 7a.m. get them fed and ready for the day. Pair them with their teen mentor and get ready for the field trips across the island. Exploration through the zoo, aquarium, discovery zone, and other educational programs. The overall goal is to provide them with newfound skills to succeed in school. At the end of both camps children and their siblings all receive their new backpacks filled with supplies and new outfits to start their first day of school. Our camp is open free of charge to children ages 3-7 and teens enrolled in high school. Our camp also helps to provide first to work moms the opportunity not only work alongside their children while gaining training skills but fulfill their needed hours. Also working with university students to help them with their practicums. This camp is designed to provide ample opportunities to the community to help all sorts of members succeed and meet their goals. We typically have 2 interns and 3-5 first to work parents attend our camp.

Second Program Service Accomplishments Description

Description

Third Program Service Accomplishments Description

food when asked to leave. We do not provide emergency outreach during the months of our summer educational program and Christmas due to lack of funding.

Other Program Services Accomplishments

Activity Code	Description	Expense	Grants	Revenue
	<p>We provide many other activities throughout the year, from Easter events, Halloween workshops, birthday parties and more. These are done on a community supported basis. Typically we reach out to approx 100 or so children for each activity. The total amount for the extra events is below. We also participate in outreach events hosted by the county or city to help with the homeless children support. Our Easter event is another great community supported program. Allows the homeless children to visit with the Easter bunny and receive their Easter baskets filled with wonderful life necessities, school supplies, art supplies, a new outfit and more. This year we carried Easter baskets in our cars as we ran into so many homeless children living on the streets displaced from what they once called home due to the clean sweeps our governor put into place. That was very emotional. Our Halloween costume workshops allows these children to be part of everyday at school, like all the other children and not left out of a parade or a school based event due to the lack of costumes. We allow the children to make their own costumes out of recycled materials and slightly used Halloween costumes we have donated throughout the year. And we have other great outreach project likes these, just to let the children know we care and are still here for them throughout their journey through their struggles in life. Watching the children grow and become self sufficient is our best reward through all these years of outreach</p>	89,054	89,054	0
